## NEW FOR 2019

As a past visitor and valued customer to Barnsoul, we wanted you to be among the first to know about the exciting new changes for 2019.

## WARDENS

As some of you may already know we have appointed new wardens at Barnsoul. Alan & Dawn have joined our team and their aim is to keep Barnsoul an oasis for peace and relaxation while being on hand to help with any problems or questions.

## CAMPING IN 2019

For the new season the camp field will be situated on the central green of the caravan touring pitches just to the rear of the wardens lodge and reception. This gives you a flatter more comfortable pitch and puts you closer to amenities, A limited number of these pitches are available with electricity.

## APEX PODS & LITTLE LODGES

The pods and lodges have been relocated. They are now situated on the hillside where the tents used to pitch up offering better views across the hills and more space. A purpose-built toilet has been installed in this area making these facilities much closer. Each pod and lodge still has its own fire pit, outdoor bench and parking for one vehicle. There is also a centrally located BBQ area for your use in addition to the covered BBQ area at the service block.

## BOTHIES, STAR PODS AND COUPLES RETREAT

These units remain the same, with easy access to the service block. Each having its own BBQ area and individual parking for one vehicle.

## STATIC CARAVANS

Should you wish to have your own holiday home at Barnsoul we now have a new exclusive static field with spacious pitches overlooking the pond and the hills beyond.

## LANDSCAPE AND WILDLIFE

Alongside the changes to Barnsoul we will also be landscaping the pond and making it more accessible, and easier to view. We are also installing a duck

house and hope to encourage some new duck families to the park. Of course, there is already a wide variety of wildlife living at Barnsoul.

Spotted recently by ourselves has been Rabbits, Hares, Red Deer, Red Squirrel and numerous bird species including Buzzard and Red Kites. Also look out for Otter, Pine Marten, Foxes and Badgers widely found around the park area.

## DOGS ON THE PARK

We love to see your dogs enjoying the park and this year we are highlighting a new Dog Walk around the perimeter of the park. This will be shown on our new park map available in the new season.

## 2019 TARIFF

As you can see there are some changes to the pricing. We have tried to make it simpler having an **All-Inclusive** price. You will also notice that some of the prices are cheaper than last year, and **All children under 5yrs of age are now FREE** when camping, making your stay with us a little bit cheaper this year or a little bit longer.

The glamping pods are priced per night for the maximum amount of people shown for each unit.

The only extra charge to add is the price per dog per night.

Glamping units are let for a minimum of 2 nights. 1-night bookings may be available however there is a £15 supplement to add to the price of the unit.

The touring, motorhome and campervan prices are per pitch regardless of the berth of your caravan or the people staying. This also includes electric hook-up. Camping prices are now charged per person per night. Additional charges are added for electric hook-up and
